

## SEACORP ADVISORY

As SEA Corp continues to improve our service level through the transition to a new software platform, several of our added customer alert features such as Documentation Cut-off Reminders and Auto Title Validation Cut-off Reminders will be temporarily interrupted. As our booking and documentation process will remain the same, we ask you pay close attention to the cut-off dates on your SEA Corp booking confirmation to ensure timely submission of shipping instructions and documents.

Please note this lapse of customer notifications is a temporary situation and will be fully relaunched and operational in the very near future.

We appreciate your continued understanding and support through this transition. If you have questions or concerns, please contact your account coordinator.
