WHO WE ARE

Sea Express America Corporation, dba SEACORP, was founded in 1998 as a bonded and privately held NVOCC specializing in containerized export/import services. Since its inception, SEACORP has reported annual profitability and has become certified as SBA WOSB, NWBOC Women Owned Business and CTPAT among other things.

SEACORP has a vast number of steamship line contracts along with an extensive network of global agents to accompany its in-house team of experienced professionals. These resources have helped SEACORP be able to provide expert logistics coordination and transportation globally.

SEACORP is in good standing with the Federal Maritime Commission and currently works with prime government contractors to complete international projects.
