

Dear Valued Customer,

Please see the below notification from CROWLEY regarding the road blocks in Guatemala.

August 8th, 2019

To Our Crowley Partners,

Due to the protests taking place against Guatemala's government, roadblocks have been reported to be affecting cargo in transit to/from the port of Santo Tomas and borders. While local reports indicate that blockades should end by noon today, August 6, customers may still experience delays.

Safety is Crowley's No. 1 core value, and as such, our team is monitoring the events and taking all appropriate steps to ensure the safety of our personnel, facilities and your cargo.

Thank you for your continued partnership,
Crowley
